

BROWNSEA ADVENTURE - 50 MINS

Linda, a Scout Leader, has gotten herself lost on Brownsea Island, the location where Baden Powell held the first Scout camp, and started the Scout Movement.

Using the Brownsea Adventure pack (available from the Challenge 100 website – www.scouts.org.uk/challenge100), complete the route card determining the route that Linda took around the Island to find the point where the first ever Scout Camp was held.

You will need to calculate the total time Linda's journey took in minutes.
